International Conference
Workers, Firms, and Skills
in the Digital and Green Transition

Sofia, Bulgaria
October 2-3, 2025

The EU Horizon project "Skills for Labour Markets in the Digital and Green Transition" (**SkiLMeeT**) invites submissions of papers or extended abstracts on topics related to:

- The effects of the digital and/or green transition on workers, firms, and skills
- Measurement and analysis of skill demand and supply
- Skill gaps and skill shortages arising from the digital and/or green transition
- Labour-market policies to address skill gaps and shortages
- Education and training measures to mitigate skill gaps and shortages

The conference will feature a keynote lecture and contributed sessions.

The keynote lecture will be given by: **Matias Cortes** (York University, Toronto).

Submission Details:
- Please submit a full paper or an extended abstract via the ConfTool System: https://www.skilmeet.eu/conftool/ by midnight CET, **1 May 2025.**
- Authors of accepted papers will be notified by **1 June 2025**.
- All presenters must register by **1 July 2025**.

Registration:
There is no registration fee for this event.

Scientific Committee:
